7	**A** chain	**B** knock-on	**C** knock-off	**D** spill-on
8	**A** deeply	**B** hotly	**C** richly	**D** thinly

Part 4 · Key word transformations

For questions 25–30, complete the second sentence so that it has a similar meaning to the first sentence, using the word given. **Do not change the word given.** You must use between **three** and **eight** words, including the word given. Here is an example (0).

Example:

0 Prices have not changed for six months.

STEADY

The gap can be filled by the words 'have held steady for', so you write:
