UOE-P4 · PRÁCTICA 04

Key word transformations

Hoja 04 · Nivel examen: gramática combinada con nominalización y expresiones fijas

6 ítems (preguntas 25–30) · hasta 2 puntos por ítem · tiempo orientativo: 12 minutos · sin consultar la teoría

For questions 25–30, complete the second sentence so that it has a similar meaning to the first sentence, using the word given. **Do not change the word given.** You must use between **three** and **eight** words, including the word given. Here is an example (0).

Example:

0 The meeting has been postponed until next week.

OFF

They have put the meeting off until next week.

The gap can be filled by the words 'put the meeting off until', so you write:

0 PUT THE MEETING OFF UNTIL

Write only the missing words IN CAPITAL LETTERS.

25 The new stadium was not as impressive as everyone had expected.

SHORT

The new stadium fell _____ expectations.

26 The strike will probably cause major disruption.

RISE

The strike _____ major disruption.

27 Staff are strictly forbidden to discuss the merger with journalists.

ACCOUNT

On _____ the merger with journalists.

28 I regret not making the most of my time at university.

ADVANTAGE

I wish _____ of my time at university.

29 Wages have not risen as fast as prices.

PACE

Wages have _____ prices.

30 It was impossible to understand the speaker because of the noise.

OUT

The noise made _____ the speaker.

Hoja de respuestas

Nº	Respuesta (en mayúsculas)	Puntos
25		/ 2
26		/ 2
27		/ 2
28		/ 2
29		/ 2
30		/ 2
	Total	/ 12

SOLUCIONES

Corrige cada ítem por mitades: 1 punto por cada mitad correcta y bien escrita. Se acepta cualquiera de las variantes indicadas; las respuestas fuera de 3–8 palabras o con la palabra clave cambiada valen 0.

25 SHORT OF EVERYONE'S (3 palabras)

Mitades: short of | everyone's

Por qué: Fall short of = no estar a la altura. Had expected se nominaliza en expectations, y everyone pasa a posesivo.

No puntúa: *short from everyone's; *short of everyone (sin posesivo no encaja con expectations).

Teoría: 7 Tabla de referencia (SHORT) · 4 Nominalización

26 IS LIKELY TO GIVE RISE TO (6 palabras)

También vale: WILL PROBABLY GIVE RISE TO (5) · **WILL IN ALL LIKELIHOOD GIVE RISE TO** (7)

Mitades: is likely to / will probably | give rise to

Por qué: Give rise to = cause. Además hay que conservar el grado de probabilidad de probably.

No puntúa: *will give rise to (pierde probably); *is bound to give rise to (bound significa «seguro»: exagera la probabilidad); *is likely to give rise (falta to).

Teoría: 5.1 Verbos comodín · 3.5 Grados de certeza

27 NO ACCOUNT ARE STAFF TO DISCUSS (6 palabras)

También vale: NO ACCOUNT MUST STAFF DISCUSS (5) · **NO ACCOUNT SHOULD STAFF DISCUSS** (5) · **NO ACCOUNT MAY STAFF DISCUSS** (5)

Mitades: no account | are staff to discuss / must staff discuss

Por qué: On no account abre la frase y obliga a invertir. La prohibición se expresa con be to, must, should o may.

No puntúa: *no account staff must discuss (sin inversión); *no account must staff not discuss (doble negación).

Teoría: 3.1 Inversión

28 I HAD TAKEN FULL ADVANTAGE (5 palabras)

También vale: I'D TAKEN FULL ADVANTAGE (5)

Mitades: I had taken | full advantage

Por qué: Regret + -ing sobre el pasado → wish + past perfect. Make the most of = take full advantage of.

No puntúa: *I took full advantage (pasado simple: sería un deseo sobre el presente); *I had taken advantage (pierde the most: cuesta una mitad).

Teoría: 3.6 Wish · 5.1 Verbos comodín

29 NOT KEPT PACE WITH (4 palabras)

También vale: FAILED TO KEEP PACE WITH (5)

Mitades: not kept / failed to keep | pace with

Por qué: La comparación de velocidad se convierte en keep pace with; se mantiene el presente perfecto.

No puntúa: *not kept the pace with; *not kept pace of.

Teoría: 5.1 Verbos comodín + sustantivo

30 IT IMPOSSIBLE TO MAKE OUT (5 palabras)

Mitades: it impossible | to make out

Por qué: Make + it + adjetivo + infinitivo, con it anticipatorio. Make out = distinguir o entender con dificultad.

No puntúa: *impossible to make out (falta it); *it impossible making out.

Teoría: 5.3 Phrasal verbs
