LEX-CNF · PRÁCTICA 05

# Confusables y palabras sueltas de nivel C2

Hoja 05 · Palabras sueltas por campos semánticos

Part 1: 8 ítems (1–8) · Part 4: 6 ítems (25–30) · 20 puntos · tiempo orientativo: 25 minutos · sin consultar la teoría

Formato real del examen. En esta hoja, las cuatro opciones de cada hueco de la Part 1 son, casi siempre, un grupo de confusables de la teoría; en el examen se mezclan con collocations, idioms y phrasal verbs.

## Part 1 · Multiple-choice cloze

For questions 1–8, read the text below and decide which answer (A, B, C or D) best fits each gap. There is an example at the beginning (0). Mark your answers on the answer sheet.

**Example:**

| | | | | |
|---|---|---|---|---|
| **0** | **A** affable | **B** bleak | **C** pungent | **D** gregarious |

The answer is **B** (bleak).

**The valley that came back to life**

Forty years ago, Hartwell was a **(0)** _____ place: grey, windswept and almost empty. It lies at the head of a **(1)** _____ valley, hidden from the main road and reachable only by a single-track lane, and by 1990 most of its young people had left for the cities. Those who stayed lived in **(2)** _____ cottages with sagging roofs and doors that no longer shut.

Then, in the late 1990s, a handful of painters discovered the valley, drawn by its light and its cheap rents. Within a decade there was a **(3)** _____ community of artists, and they were soon followed by **(4)** _____ professionals from London, who bought up the old cottages as second homes. House prices rose to **(5)** _____ levels, and the few local families who still rented their homes could no longer afford to stay.

Inevitably, this caused some **(6)** _____ between old and new residents. The council tried to **(7)** _____ the locals by building twenty affordable homes on the edge of the village, and the tension gradually eased.

Today, with its restored cottages, its galleries and its Sunday market, Hartwell has become the **(8)** _____ English village – so much so that its high street now appears on the cover of almost every guidebook to the region.

| | | | | |
|---|---|---|---|---|
| **1** | **A** squalid | **B** teeming | **C** secluded | **D** pungent |
| **2** | **A** ramshackle | **B** perfunctory | **C** slapdash | **D** idyllic |
| **3** | **A** perennial | **B** defunct | **C** blurred | **D** burgeoning |
| **4** | **A** lavish | **B** affluent | **C** destitute | **D** copious |
| **5** | **A** exorbitant | **B** meagre | **C** myriad | **D** paltry |
| **6** | **A** rapport | **B** qualms | **C** friction | **D** largesse |
| **7** | **A** dislodge | **B** placate | **C** cajole | **D** untangle |
| **8** | **A** seminal | **B** spurious | **C** cursory | **D** quintessential |

## Part 4 · Key word transformations

For questions 25–30, complete the second sentence so that it has a similar meaning to the first sentence, using the word given. **Do not change the word given.** You must use between **three** and **eight** words, including the word given. Here is an example (0).

**Example:**

**0** She never gets flustered, however much pressure she is under.

**UNFLAPPABLE**

However much pressure she is under, she always remains unflappable .

The gap can be filled by the words 'always remains unflappable', so you write:

**0 ALWAYS REMAINS UNFLAPPABLE**

Write only the missing words IN CAPITAL LETTERS.

---

**25** He gambled away his whole inheritance and was left with nothing.

**SQUANDERED**

Having _____ gambling, he was left with nothing.

**26** We are only using the new software temporarily, until a proper system is installed.

**STOPGAP**

The new software is _____ until a proper system is installed.

**27** Everyone could see from the very beginning that the plan was doomed.

**OUTSET**

That the plan was doomed was _____.

**28** She deliberately ignored him at the party, which upset him deeply.

**SNUBBED**

What upset him deeply was _____ at the party.

**29** The report recommends the plan, but warns that costs could rise.

**CAVEAT**

The report's recommendation of the plan _____ costs could rise.

**30** She felt very nervous about starting her new job.

**TREPIDATION**

It was with _____ her new job.

## Hoja de respuestas · Part 1

Escribe la letra elegida (A, B, C o D). Al corregir, marca 1 punto por acierto; una respuesta doble vale 0.

| Nº | Respuesta (A–D) | Punto |
|---|---|---|
| 1 | | / 1 |
| 2 | | / 1 |
| 3 | | / 1 |
| 4 | | / 1 |
| 5 | | / 1 |
| 6 | | / 1 |
| 7 | | / 1 |
| 8 | | / 1 |
| **Total** | | **/ 8** |

## Hoja de respuestas · Part 4

| Nº | Respuesta (en mayúsculas) | Puntos |
|---|---|---|
| 25 | | / 2 |
| 26 | | / 2 |
| 27 | | / 2 |
| 28 | | / 2 |
| 29 | | / 2 |
| 30 | | / 2 |
| | **Total** | / 12 |
| **Total de la hoja** | | **/ 20** |

# SOLUCIONES

## Part 1 · Multiple-choice cloze

1 punto por acierto. Cada solución explica por qué es correcta la clave y por qué falla cada distractor, y remite al apartado de LEX-CNF_Teoria_v1 (o de la teoría donde está explicado).

| Nº | Clave | Grupo o expresión | Teoría |
|---|---|---|---|
| 1 | C · secluded | secluded | §17 |
| 2 | A · ramshackle | ramshackle | §17 |
| 3 | D · burgeoning | burgeoning | §18 |
| 4 | B · affluent | affluent | §16 |
| 5 | A · exorbitant | exorbitant | §16 |
| 6 | C · friction | friction | §15 |
| 7 | B · placate | placate | §15 |
| 8 | D · quintessential | quintessential | §19 |

**1 · C** secluded

**Por qué:** secluded: apartado, recogido y tranquilo, lejos de todo (§17). Hidden from the main road y reachable only by a single-track lane lo explican.

**A** squalid: squalid es «sórdido, mugriento» (§17) y se dice de viviendas o condiciones de vida, no de un valle.

**B** teeming: teeming es «rebosante» de gente o de vida (§17): contradice un pueblo que se vacía y un valle escondido.

**D** pungent: pungent es «penetrante, acre» (§17) y se dice de olores y sabores.

Teoría: §17 Lugares, ambiente y sentidos

**2 · A** ramshackle

**Por qué:** ramshackle: destartalado, a punto de caerse (§17); lo describen sagging roofs y doors that no longer shut.

**B** perfunctory: perfunctory es «hecho por cumplir» (§16) y se dice de acciones: un saludo, una revisión.

**C** slapdash: slapdash es «chapucero» (§16): se dice de un trabajo, no de una casa.

**D** idyllic: idyllic es «idílico» (§17): contradice los tejados hundidos.

Teoría: §17 Lugares, ambiente y sentidos

**3 · D** burgeoning

**Por qué:** burgeoning: floreciente, en rápido crecimiento (§18). Within a decade marca ese crecimiento.

**A** perennial: perennial es «perenne, de siempre» (§18), como en a perennial problem; una comunidad recién formada no lo es.

**B** defunct: defunct es «desaparecido, extinto» (§18): contradice there was.

**C** blurred: blurred es «borroso, difuminado» (§18): se dice de imágenes o de límites, no de una comunidad.

Teoría: §18 Tiempo, cambio y movimiento

**4 • B** affluent
**Por qué:** affluent: acomodado, adinerado (§16); encaja con quien compra segundas residencias.

**A** lavish: lavish es «espléndido, lujoso» (§16) y se dice de fiestas, gastos o regalos, no de personas.

**C** destitute: destitute es «indigente» (§16): lo contrario.

**D** copious: copious es «abundante» (§19) y se dice de cantidades (copious notes).

Teoría: §16 Trabajo, esfuerzo y dinero

**5 • A** exorbitant
**Por qué:** exorbitant: desorbitado, abusivo (§16), típico de precios y alquileres. Rose to y could no longer afford lo confirman.

**B** meagre: meagre es «escaso, exiguo» (§19): lo contrario.

**C** myriad: myriad es «innumerables» (§19) y va con sustantivos contables en plural (myriad problems).

**D** paltry: paltry es «irrisorio» (§19): contradice rose.

Teoría: §16 Trabajo, esfuerzo y dinero

**6 • C** friction
**Por qué:** friction between: roces, tensión entre grupos (§15). The tension gradually eased lo retoma.

**A** rapport: rapport es buena sintonía (§15): lo contrario de lo que piden inevitably y tension.

**B** qualms: qualms son reparos morales que siente alguien (have qualms about) (§15); no surgen between dos grupos.

**D** largesse: largesse es «generosidad, dádivas» (§16).

Teoría: §15 Emociones, relaciones y trato

**7 • B** placate
**Por qué:** placate: aplacar a alguien descontento (§15). Construir viviendas asequibles busca calmar a los vecinos.

**A** dislodge: dislodge es «desalojar, desprender» (§18); el ayuntamiento no quería echar a los vecinos.

**C** cajole: cajole es engatusar a alguien para que haga algo (cajole sb into -ing, §15); no se engatusa construyendo viviendas.

**D** untangle: untangle es «desenredar» (§18): un problema o unos cables, no a unas personas.

Teoría: §15 Emociones, relaciones y trato

**8 • D** quintessential
**Por qué:** quintessential: arquetípico, el ejemplo perfecto de algo (§19). On the cover of almost every guidebook lo confirma.

**A** seminal: seminal es «fundamental, que marca escuela» (§19): a seminal work.

**B** spurious: spurious es «falso, espurio» (§19): spurious claims.

**C** cursory: cursory es «somero, superficial» (§19): a cursory glance.

Teoría: §19 Cantidad, calidad y valoración

## Part 4 · Key word transformations

Corrige cada ítem por mitades: 1 punto por cada mitad correcta y bien escrita. Se acepta cualquiera de las variantes indicadas; las respuestas fuera de 3–8 palabras o con la palabra clave cambiada valen 0.

**25 SQUANDERED HIS INHERITANCE ON** (4 palabras)

**También vale: SQUANDERED HIS [WHOLE / ENTIRE] INHERITANCE ON** (4–5) · **SQUANDERED HIS [WHOLE / ENTIRE] INHERITANCE** (3–4) · **SQUANDERED EVERYTHING HE HAD INHERITED ON** (6) · **SQUANDERED ALL [OF] HIS INHERITANCE ON** (5–6) · **SQUANDERED EVERY PENNY OF HIS INHERITANCE ON** (7) · **SQUANDERED THE WHOLE OF HIS INHERITANCE ON** (7)

**Mitades:** squandered his (whole) inheritance | on

**Por qué:** Squander sth on sth: despilfarrar dinero, tiempo o una oportunidad (§16). Gambled away pasa a squandered … on gambling, con el objeto entre el verbo y on. Como was left with nothing ya está en la frase 2, whole puede ir o no. También vale sin on (squandered his inheritance gambling).

**No puntúa:** *SQUANDERED ON HIS INHERITANCE (el objeto va antes de on: squandered his inheritance on); *BEEN SQUANDERED HIS INHERITANCE ON (tras having va el participio en activa: having squandered).

Teoría: §16 Trabajo, esfuerzo y dinero

**26 ONLY BEING USED AS A STOPGAP** (6 palabras)

**También vale: (ONLY / MERELY / JUST / SIMPLY / PURELY) BEING USED AS A STOPGAP [MEASURE / SOLUTION]** (6–7) · **BEING USED [ONLY / MERELY / JUST / SIMPLY / PURELY] AS A STOPGAP [MEASURE / SOLUTION]** (5–7) · **(ONLY / MERELY / JUST / SIMPLY / NOTHING MORE THAN / NO MORE THAN) A STOPGAP [MEASURE / SOLUTION]** (3–6) · **A STOPGAP (MEASURE / SOLUTION)** (3) · **(ONLY / MERELY / JUST / SIMPLY) (SERVING / ACTING) AS A STOPGAP [MEASURE / SOLUTION]** (5–6) · **(SERVING / ACTING) [ONLY / MERELY / JUST / SIMPLY] AS A STOPGAP [MEASURE]** (4–6) · **[ONLY / MERELY / JUST] INTENDED AS A STOPGAP [MEASURE / SOLUTION]** (4–6)

**Mitades:** only being used as | a stopgap

**Por qué:** Stopgap: solución provisional, parche (§16); a menudo a stopgap measure. La pasiva (is being used as) mantiene la idea de uso, aunque también vale is only a stopgap. Como stopgap ya indica que es provisional, only puede ir o no. La grafía stop-gap también es correcta.

**No puntúa:** *ONLY BEING USED AS STOPGAP (stopgap es contable: a stopgap); *ONLY USING AS A STOPGAP (con the new software de sujeto hace falta la pasiva: being used).

Teoría: §16 Trabajo, esfuerzo y dinero

**27 OBVIOUS TO EVERYONE FROM THE OUTSET** (6 palabras)

**También vale: (OBVIOUS / CLEAR / EVIDENT / APPARENT / PLAIN / MANIFEST / PATENT) TO (EVERYONE / EVERYBODY / ALL) (FROM THE / RIGHT FROM THE / FROM THE VERY / AT THE) OUTSET** (6–7) · **(OBVIOUS / CLEAR / EVIDENT / APPARENT / PLAIN / MANIFEST / PATENT) (FROM THE / RIGHT FROM THE / FROM THE VERY) OUTSET TO (EVERYONE / EVERYBODY / ALL)** (6–7) · **(OBVIOUS / EVIDENT / PLAIN) (FROM THE / RIGHT FROM THE / FROM THE VERY) OUTSET** (4–5) · **(RECOGNISED / SEEN) BY (EVERYONE / ALL) FROM THE [VERY] OUTSET** (6–7)

**Mitades:** obvious to everyone | from the outset

**Por qué:** The outset: el comienzo; solo se usa en at the outset y from the outset (§6.1). La oración con that hace de sujeto y el hueco pide el adjetivo (obvious to everyone); from the very beginning pasa a from the (very) outset. Como obvious ya implica que todos lo veían, to everyone puede faltar.

**No puntúa:** *OBVIOUS TO EVERYONE SINCE THE OUTSET (con outset, las preposiciones son at y from); *OBVIOUS FOR EVERYONE FROM THE OUTSET (obvious va con to).

Teoría: §6.1 the advent / the onset / the outset / the dawn

**28 BEING SNUBBED BY HER** (4 palabras)

**También vale: BEING [DELIBERATELY] SNUBBED BY HER** (4–5) · **HAVING BEEN SNUBBED BY HER** (5) · **(THE WAY / HOW) SHE [HAD] SNUBBED HIM** (4–6) · **THE FACT THAT SHE [HAD] SNUBBED HIM** (6–7) · **THAT SHE [HAD] SNUBBED HIM** (4–5) · **HER HAVING SNUBBED HIM** (4) · **THAT HE HAD BEEN SNUBBED BY HER** (7)

**Mitades:** being snubbed | by her

**Por qué:** Snub sb: hacer un desaire, ignorar a alguien a propósito (§15); por eso recoge deliberately ignored sin necesidad de deliberately. La oración pseudohendida (What upset him … was) pide un sustantivo o equivalente: being snubbed by her, the way she snubbed him…

**No puntúa:** *SNUBBED BY HER (tras was queda una pasiva sin sentido: hace falta being); *SHE SNUBBED HIM (tras was hace falta that, the way o being snubbed).

Teoría: §15 Emociones, relaciones y trato

**29 COMES WITH THE CAVEAT THAT** (5 palabras)

**También vale: COMES WITH (THE / A) [ADDED] CAVEAT THAT** (5–6) · **IS (MADE / ISSUED / GIVEN) WITH (THE / A) CAVEAT THAT** (6) · **(CARRIES / INCLUDES / CONTAINS / HAS) (THE / A) CAVEAT THAT** (4) · **IS (ACCOMPANIED / QUALIFIED / TEMPERED) BY (THE / A) CAVEAT THAT** (6) · **IS SUBJECT TO (THE / A) CAVEAT THAT** (6)

**Mitades:** comes with | the caveat that

**Por qué:** Caveat: advertencia, salvedad que matiza una recomendación (§10.3); recoge but warns that. Con recommendation de sujeto, el hueco pide un verbo que lo una al sustantivo: comes with / carries the caveat that. No hay que confundirlo con proviso, que es una condición.

**No puntúa:** *COMES WITH THE PROVISO THAT (no usa la palabra clave tal cual: el ítem vale 0; proviso es una condición, no una advertencia); *COMES WITH THE CAVEAT IF (caveat va con that).

Teoría: §10.3 proviso / caveat / stipulation / reservation

**30 GREAT TREPIDATION THAT SHE STARTED** (5 palabras)

**También vale: (GREAT / CONSIDERABLE / MUCH / REAL / DEEP / NO LITTLE / NO SMALL / SOME CONSIDERABLE) TREPIDATION THAT SHE (STARTED / BEGAN / TOOK UP / TOOK ON / APPROACHED / FACED / EMBARKED ON / SET OUT ON)** (5–8) · **A (GOOD / GREAT) DEAL OF TREPIDATION THAT SHE (STARTED / BEGAN / APPROACHED / FACED)** (8) · **A LOT OF TREPIDATION THAT SHE (STARTED / BEGAN / APPROACHED / FACED / TOOK UP / EMBARKED ON)** (7–8)

**Mitades:** great trepidation | that she started

**Por qué:** Trepidation: inquietud, temor ante algo que va a pasar (§15). La estructura enfática it was with … that pide un sustantivo con intensificador (great, considerable…), que recoge very nervous.

**No puntúa:** *TREPIDATION THAT SHE STARTED (pierde la intensidad de very: falta una mitad); *GREAT TREPIDATION WHEN SHE STARTED (la estructura it was with … that exige that).

Teoría: §15 Emociones, relaciones y trato
