Hoja 01 · Phrasal verbs frecuentes

Part 1: 8 ítems (1–8) · Part 4: 6 ítems (25–30) · 20 puntos · tiempo orientativo: 25 minutos · sin consultar la teoría

Formato real del examen. En esta hoja todos los huecos de la Part 1 son phrasal verbs o prepositional verbs; en el examen se mezclan con collocations, idioms y casi-sinónimos.

Part 1 · Multiple-choice cloze

For questions 1–8, read the text below and decide which answer (A, B, C or D) best fits each gap. There is an example at the beginning (0). Mark your answers on the answer sheet.

Example:

0	**A** caught	**B** took	**C** came	**D** turned

The answer is **A** (caught).

The rise and fall of a craze

Nobody quite knows why Fizzbo, a simple card game invented by a retired teacher in Leeds, suddenly **(0)** _____ on in the summer of 2019. Within weeks, it seemed that every pupil in the country was playing it at break time, and manufacturers **(1)** _____ on the opportunity, **(2)** _____ out cheap versions of the cards in every colour imaginable. Teachers, who had at first welcomed a game that got children talking to each other, soon began to complain that it was **(3)** _____ into lessons, and several schools banned it altogether.

Such crazes rarely last, of course. By the following spring the novelty had begun to **(4)** _____ off, and sales, which had been doubling every month, first **(5)** _____ off and then fell sharply. Retailers who had stocked up in the hope of a second wave were forced to **(6)** _____ off thousands of pounds' worth of unsold cards.

Yet Fizzbo has not **(7)** _____ out altogether. A small but devoted band of adult players still meets in pubs across the north of England, and the inventor, now in his eighties, insists that the game was never meant to be a fad. 'Children pick things up and drop them,' he says. 'That's fine. The ones who come back to it later are the ones I designed it for.' Whether it will ever **(8)** _____ back is anyone's guess.

1	**A** hit	**B** seized	**C** touched	**D** frowned
2	**A** weeding	**B** crowding	**C** phasing	**D** churning
3	**A** creeping	**B** delving	**C** tapping	**D** buying
4	**A** shake	**B** trail	**C** wear	**D** pay
5	**A** levelled	**B** sealed	**C** nodded	**D** kicked
6	**A** laugh	**B** round	**C** polish	**D** write
7	**A** stood	**B** eked	**C** died	**D** sat
8	**A** claw	**B** bounce	**C** hold	**D** scale

Part 4 · Key word transformations

For questions 25–30, complete the second sentence so that it has a similar meaning to the first sentence, using the word given. **Do not change the word given.** You must use between **three** and **eight** words, including the word given. Here is an example (0).

Example:

0 The meeting has been postponed until next week.

OFF

The meeting has been put off until next week.

The gap can be filled by the words 'has been put off', so you write:

0 HAS BEEN PUT OFF

Write only the missing words IN CAPITAL LETTERS.

Part 4 · Key word transformations

Corrige cada ítem por mitades: 1 punto por cada mitad correcta y bien escrita. Se acepta cualquiera de las variantes indicadas; las respuestas fuera de 3–8 palabras o con la palabra clave cambiada valen 0.

25 NOT TO RUB OFF ON (5 palabras)

También vale: NOT TO RUB OFF (ON / ONTO) (5)

Mitades: not to | rub off on

Por qué: It was impossible for X not to … equivale a inevitably. Rub off on sb: pegarse a alguien una cualidad o una actitud; las tres piezas son obligatorias (onto también vale).

No puntúa: *TO RUB OFF ON (pierde la negación: sin not, dice lo contrario); *NOT TO RUB ON (falta off).

Teoría: §15.2 Verbos de tres partes con el objeto detrás

26 IS ON AT ME (4 palabras)

También vale: IS [ALWAYS / FOREVER / CONSTANTLY] ON AT ME (4–5) · **IS (ALWAYS / FOREVER / CONSTANTLY) GOING ON AT ME** (6) · **KEEPS [GOING] ON AT ME** (4–5) · **HAS BEEN [GOING] ON AT ME** (5–6)

Mitades: is on | at me

Por qué: Be on at sb (to do sth) (británico, informal): dar la lata a alguien para que haga algo; ya implica repetición, así que always es opcional. Keep on at sb y go on at sb son variantes igual de informales.

No puntúa: *IS AT ME (falta on: be at sb no tiene este sentido); *KEEPS TELLING AT ME (tell no se construye con at).

Teoría: §8 On y upon

27 MADE FOR DEPRESSING (3 palabras)

También vale: MADE FOR [SOME] DEPRESSING (3–4)

Mitades: made for | depressing

Por qué: Make for sth: dar como resultado. Make for depressing / grim reading es su collocation más frecuente. El adjetivo de la frase 1 se conserva.

No puntúa: *MADE DEPRESSING FOR (orden: make for + adjetivo + reading); *WERE MADE FOR DEPRESSING (make for va en activa: el sujeto son las conclusiones).

Teoría: §14 Prepositional verbs con significado propio

28 TO TAKE YOU UP ON (5 palabras)

Mitades: to take you | up on

Por qué: Take sb up on sth: aceptar una oferta que alguien ha hecho. La persona va siempre entre take y up, y la oferta (it) detrás de on.

No puntúa: *TO TAKE UP (con un pronombre, el objeto iría en medio (take it up); *take up it no existe); *TO TAKE UP YOU ON (la persona va entre take y up).

Teoría: §15.3 Verbos de tres partes con un objeto intercalado

29 HAVE HANDED THE SUSPECT OVER TO (6 palabras)

También vale: HAVE (HANDED / TURNED) THE SUSPECT OVER TO (6) · **HAVE (HANDED / TURNED) OVER THE SUSPECT TO** (6)

Mitades: have handed | the suspect over to

Por qué: Pasiva → activa con they como sujeto, y should have + participio para el pasado. Hand sb over to sb: entregar; turn sb over to the police es una variante. Con un sustantivo corto, el objeto puede ir en medio o detrás de over.

No puntúa: *HAVE BEEN HANDED THE SUSPECT OVER TO (mezcla pasiva y activa: el sujeto es they); *HAVE GIVEN THE SUSPECT OVER TO (poco idiomático: give over suele significar dedicar (the day was given over to…)).

Teoría: §10 Over · UOE-P4 §3.5 Modales perfectos y grados de certeza

30 THAT SHE WAS STEPPING DOWN (5 palabras)

También vale: [THAT] SHE (WAS / IS / WOULD BE / WILL BE / WAS GOING TO BE) (STEPPING / STANDING) DOWN (4–8) · **[THAT] (SHE'S / SHE'D BE / SHE'LL BE) (STEPPING / STANDING) DOWN** (4–6) · **[THAT] SHE (WOULD / WILL / WAS GOING TO / IS GOING TO / WAS TO / INTENDED TO / PLANNED TO / HAD DECIDED TO) (STEP / STAND) DOWN** (4–7) · **[THAT] (SHE'D / SHE'LL / SHE'S GOING TO) (STEP / STAND) DOWN** (4–7) · **HER (INTENTION / DECISION / PLAN / PLANS) TO (STEP / STAND) DOWN** (5) · **HER INTENTION OF (STEPPING / STANDING) DOWN** (5)

Mitades: that she was | stepping down

Por qué: Estilo indirecto tras announced (lo normal es retroceder el tiempo: was stepping down; sin retroceso también vale, porque sigue siendo cierto) y step down: dimitir, dejar un cargo; stand down (británico) es sinónimo. Announce her intention to es otra forma correcta.

No puntúa: *THAT SHE WAS BACKING DOWN (back down es ceder en una postura, no dimitir); *THAT SHE WAS STEPPING DOWN FROM (from sobra: as chair ya está detrás del hueco).
